Dear GOC Advocate,

We have been very busy here at the GO Center over the last few months and are excited to share a few of the things that have happened!

Bardstown Families Flock to Trick-GO-Treat!

On the evening of October 27th, families from all around Nelson County gathered at the GO center for the Trick-GO-Treat Halloween event. Many local companies, including State Farm Insurance, Boone's Butcher Shop and Conway-Heaton Auto Group, set up booths and handed out candy and goodies to all the little ghouls and goblins. And boy did the candy fly as more than 1,000 people walked through the slightly spooky ambiance of the GOC Event Center. We are proud of the success of this event and anxious to make next year's even better!

Meals From The Heart Feeds the Community!

Did you know that an anonymous donor wants to feed the homebound hungry of Nelson County? The GO Center is partnering with St. Vincent De Paul, a team of dedicated and hardworking volunteer drivers, and an amazing donor to deliver hot nutritious meals to those in need. Contact St. Vincent De Paul at 502-348-7270 if you know someone that could benefit from this service, or if you want to volunteer to help deliver these meals. What a great way to be of service to those in need!

T'was the Night of the Bardstown Parade...

The Guthrie Opportunity Center was proud to participate in this year's Kiwanis Club Parade. With the efforts of Communicare's dedicated staff and participants, The GO Center was able to show up in style in its very own "T'was the Night before Christmas" themed float, complete with Christmas tree and Santa coming down the chimney. The participants merrily waved from the float and handed out candy to all in attendance. It was a great night, full of fun, cheers, and holiday spirit!
